

REMARKSRegarding the Claim Amendments:

The amendments make structural element (3) an optional additional element. All other amendments are editorial in nature and add no new matter.

Regarding the Restriction Requirements:

Applicants respectfully reassert, and hereby incorporate by reference, the arguments presented in traversal of the restriction requirements of January 31, 2007, and October 06, 2005.

In Conclusion:

The present application is in condition for allowance. Applicants request favorable action in this matter. In order to facilitate the resolution of any issues or questions presented by this paper, the Examiner is welcome to contact the undersigned by phone to further the discussion.
